THE SELF-STARTER: The premier Cadillac and LaSalle collector magazine, serving over 6.300 members of the Cadillac & LaSalle Club, who own over 13.000 cars.

The annual International Membership Directory is published every fall and includes Cadillac & LaSalle Club and CLC Museum & Research Center history, personal information on all members, lists of members' cars, and full-color advertising opportunities.

The Grand National program is distributed to all meet attendees and those who didn't attend and wish to purchase a program following the event. The program lists the names of all registered attendees and the cars they are bringing, along with other articles of interest.

The Cadillac Fall Festival & Concours d'Elegance program is a high-end publication listing the cars in attendance, plus articles of interest to Cadillac and LaSalle aficionados.
