# 2024 Grand National Tour Descriptions

When you arrive at Gettysburg this June, please remember a few things:

- You must be preregistered for all paid events and tours and have the appropriate tour ticket to gain admission;
- Most tours require plenty of walking. We advise comfortable walking shoes and casual summer clothing;
- Tours have limited capacity. Please register early to reserve your spot and avoid disappointment; and
- We reserve the right to alter, substitute, or cancel tour routes or attractions due to unforeseen circumstances or lack of participation.

## The Driving Tour

This year's driving tour is a two-parter. The first part takes us to four covered bridges. These charming structures will be wonderful to admire and photograph. The second part takes us to the Antietam Civil War Battlefield and its surroundings.

This is a self-directed tour, not a caravan. Mileage from both parts of the Driving Tour count towards the CLC Touring grille badge program. Lunch is on your own.

## Bus Tours

*Let's Go to The Mall*—The Classic Auto Mall is a sales and consignment business located in a former shopping mall. The indoor showroom has space for up to 1,000 collectible and special interest vehicles, all offered for sale. Prices and fair descriptions are provided, so don't forget your wallet. Lunch will be at the Shady Maple Smorgasbord, which features a 200-foot-long buffet of authentic Pennsylvania Dutch cooking as well as a huge gift shop.

*Hershey!*—America's Transportation Experience, also known as the AACA Museum, has a wonderful display of antique cars and period artifacts, not to mention being the permanent home of the Museum of Bus Transportation and the Cammack Tucker Collection. A behind-the-scenes tour is being arranged.

After lunch, we will visit Hershey's Chocolate World for shopping and candy.

*Back in Time*—Horology is the scientific study of time, the measurement of time, and the making of clocks. Discover how all this comes together at the National Watch and Clock Museum in Columbia, Pennsylvania.

After lunch at 124-year-old Hinkle's Restaurant, we will ride over to Intercourse,

Pennsylvania, to shop some local merchants and take a tour of Barry's Car Barn. *Note: Admission to Barry's is optional and not included in your tour fee.*

## Shuttle to local attractions

A visit to Gettysburg would not be complete without going to the historic Gettysburg National Military Park & Visitor Center, charming downtown Gettysburg, and the World War II American Experience.

Since there are many ways to encounter the Park's history, from touring on foot to taking a two-hour guided bus trip, we are leaving it up to you. Regular shuttle service to the Park, the World War II American Experience, and the charming downtown will be available on Thursday. Shuttle service will again be operating on Saturday to enjoy Gettysburg's outlet shopping and a return to the downtown area.

Your shuttle pass covers your fare for both Thursday and Saturday. ■
