

CUBA CANDELA

Why Cuba?
YES, YOU CAN STILL TRAVEL TO CUBA!

We've traveled the world and there is no place like Cuba. It's roots remain in a simpler time, encapsulating memories of a bygone era. Cuba is the romance of Hemingway, the sounds of Afro-Caribbean music amidst decaying colonial grandeur, the smell of the ocean and tropical fruit, and the taste of world-class tobacco and rum.

From the rooftops of Havana, the rhythm of el Malecón to the cascading waterfalls of Trinidad and the otherworldly magic of Viñales, the energy and natural beauty of Cuba capture the heart and mind.

Journey to a once unreachable world of unmatched beauty with a rich culture that combines old and new—the island of Cuba.
